A WAKE-UP CALL TO THE CHURCHES IN THE WEST !!!

"He who has an ear, let him hear what the Spirit says to the churches" (See Revelation 2:29). JESUS said, "When the Son of Man comes, will He find Faith on the Earth? (See Luke 18 : 8). "But as the days of Noah were, so also will the coming of the Son of Man be." (See Matthew 24:37). "But on the day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all" (See Luke 17:29). "Then He began to rebuke the cities in which most of His mighty works had been done because they did not repent... ..for if the mighty works which were done in you had been done in Sodom, it would have remained until this day But I say to you that it shall be more tolerable for the land of Sodom in the day of judgment than for you" (See Matthew 11:20-24).

Dear Apostles, Prophets, Evangelists, Pastors, Teachers, Brothers and Sisters,

According to a Gallup poll conducted by The Religious and Other Beliefs of Americans 2003, more than 30 million Americans (one in four Americans) believe in reincarnation (27%). In another poll, the results showed that one out of every five Christians believes in reincarnation through YOGA, and, sadly, this trend is GROWING. Both the USA Today-CNN-Gallup Poll and The Harris Poll also confirm these percentage rates.

Furthermore, the European Values Systems conducted a poll whereby it determined that one in every third person in Great Britain believes in reincarnation! This gives an average of 30% in Europe. In addition, a belief in reincarnation is growing in Australia with 27% percent of Australians believing in reincarnation (Australian Community Survey) and 31% of Australian young people believing in reincarnation (The World Values Survey).

In support of these poll results, many Christians working in street ministries who regularly speak and interact with the general population are convinced that these high percentage rates are not only validated by their experience, but are, in fact, increasing daily.

In an article entitled "An Open Letter to Evangelicals" from the January 1991 issue of Hinduism Today, Swami Sivasiva Palani writes, "A small army of yoga missionaries – hatha, raja, siddha and kundalini – beautifully trained in the last 10 years, is about to set upon the western world. They may not call themselves Hindu, but Hindus know where yoga came from and where it goes."

In an article dated May 14, 2006, Darryl E. Owens of the Orlando Sentinel quoted Sannyasin Arumugaswami, managing editor of Hinduism Today. Arumugaswami said Hinduism is the soul of Yoga "based as it is on Hindu Scripture and developed by Hindu sages. Yoga opens up new and more refined states of mind, and to understand them one needs to believe in and understand the Hindu way of looking at God..... A Christian trying to adapt these practices will likely disrupt their own Christian beliefs." Remember, Hinduism based on pantheism - god is everything, you're god, everything is god which is found in Hindu Vedas and the Yoga/Hindu Symbol/Chant (Mantra) OUM represents 330 Million Hindu gods.

God put a burden in my heart for souls in the United States, Europe and Australia, as much of Western Civilization is losing its culture of Godliness through the eastern pagan practice of yoga. I've already been burdened for the souls of those who live in the Eastern civilization, and, now, God is really putting pain in my heart to reach out on the streets and into the churches in the West to warn people about this pagan practice.

I am concerned for all the children of God who are losing their faith through the practice of yoga. I have met hundreds of people in Boulder, Colorado, who were born and brought up in a Christian family background, but who are becoming pagans, Buddhists, Hindus, and New Agers through yoga.

In fact, I've realized that, even though they were born and brought up in a Christian tradition, they didn't have a solid foundation in the Word of God. Otherwise, they never would have been able to walk away from the truth.

So, I am whole-heartedly passionate about distributing informational flyers to all the churches who are receptive. I have already given out thousands of these brochures on the streets of America and Europe, including the Pearl Street mall in Boulder and the 16th Street mall in Denver.

A flyer (PDF) is attached with this letter, as I am praying that you will consider handing out these flyers in your church. Please let me know if you would be interested in having free copies of these flyers to distribute. Also, it would be a blessing if you would consider forwarding this flyer to those on your e-mail list, such as family, friends, and other church members.

I really appreciate your help and support in this matter.

Thanks a lot for respecting "THE FREEDOM OF SPEECH"

MUCH LOVE !!!

Abundant blessings to you and the mighty power of the Holy Spirit!

In His service,
